- Use high-quality ice cream. The better the ice cream, the better the cake will be.
- Let the ice cream soften slightly before spreading it on the cake. This will make it easier to spread and will help prevent the cake from cracking.
- Freeze the cake for at least 4 hours before serving. This will help the cake set and make it easier to slice.
- Decorate the cake with your favorite toppings. Sprinkles, chocolate chips, candy, and fruit are all great options.
