Migration and Integration: A Global Phenomenon

With over 272 million international migrants worldwide, the global movement of people has become a defining characteristic of the 21st century. This book examines the diverse motivations and patterns of migration, ranging from economic opportunities and political instability to environmental disasters and humanitarian crises.

Challenges and Opportunities of Integration

Integrating foreign-born populations into new societies presents both challenges and opportunities. The book analyzes the challenges of language barriers, cultural differences, and the potential for discrimination and xenophobia. However, it also highlights the positive contributions of migrants, including their economic vitality, cultural enrichment, and the fostering of global connections.

Policy Frameworks for Integration

The book critically examines a range of policy frameworks for managing migration and promoting integration. It compares and contrasts approaches from different countries, including assimilationist models, multiculturalist frameworks, and human rights-based approaches. The analysis sheds light on the strengths and weaknesses of various policies and provides insights into best practices.

Case Studies from Around the World

To provide a deep understanding of the real-world implications of migration and integration, the book draws upon extensive case studies from around the world. It explores how different countries have grappled with issues such as citizenship rights, education, housing, and employment for foreign-born populations.

Public Relations Case Studies from Around the World—2nd Edition

July 2017 | 386 pp. | 978-1-4331-4554-8 (pb) | 978-1-4331-4551-3 (ebook PDF) | 978-1-4331-4552-0 (ePub)

The case studies in this book, many of which have won national or international awards, represent an impressive scope of public relations practice—from public diplomacy to corporate social responsibility to crisis communications to social justice issues and special events. These chapters take a significant step toward overcoming the dearth of established case studies in public relations beyond North America. Written by established scholars and professionals who had access to some of the world's most intriguing and influential cases of organizational communication, these studies will be of tremendous interest to all who teach, study, and practice public relations around the world.

Judy Van Slyke Turk is a professor emerita in the Richard E. Robertson School of Media and Culture at Virginia Commonwealth University. She received the **Vander Award** in 2005 from the Institute of Public Relations in recognition of lifetime research and publications, the **Educator Mentorship Award** from the Philip Center for Public Relations Leadership in 2013, and was named **Educator of the Year** by the Public Relations Society of America (PRSA) in 2007.

Jean Vallin, APR, Fellow CPRS, Honorary Fellow CIPR, is Principal at Vain Strategic Communications in Chelsea, England, and a founding member of the Global Alliance for Public Relations and Communication Management. He has received several awards, among them the **David Keegon Award** for Outstanding Contributions to Public Relations Education from the Educators Academy of the Public Relations Society of America (PRSA) and the President's medal from the Chartered Institute of Public Relations in the United Kingdom. In 2013-2014 he was co-chair of the Commission on Public Relations Education. He has led several global projects that resulted in the adoption of global standards for public relations.

"I feel free to praise it unashamedly. It is not enough to say that this text is a fine accomplishment! It is, in a word, a gem!"
—*Larissa Grunig, PhD, Professor Emerita, University of Maryland*

"It builds on the success of the first edition, which has been used in several universities throughout the world to teach how public relations is practiced."
—*Gregor Hirth, 2016-2017 Chair, Global Alliance for Public Relations and Communication Management*

"The editors set out to uniquely provide a text fully dedicated to international case studies. They have been highly effective in doing so, and their second edition brings fresh, contemporary content."
—*Sandra Dahl, Ph.D., MPA, APR, CIPR, PRSA*

Sociological Perspectives on Integration

The book also explores the sociological perspectives on integration, examining the theories and concepts that researchers use to understand the social dynamics of migration and diversity. It discusses the role of social networks, identity formation, and intergroup relations in shaping integration outcomes.

: The Future of Foreigners and Minorities

In its , the book reflects on the future of foreigners and minorities in an increasingly globalized world. It argues for a balanced approach that recognizes both the challenges and opportunities of migration and integration. The book calls for inclusive policies that promote social cohesion, protect human rights, and foster a sense of belonging for all members of society.

About the Book

"Foreigners, Minorities, and Integration" is an essential resource for researchers, policymakers, students, and anyone interested in the complex issues surrounding migration, ethnicity, and cultural diversity. Drawing on cutting-edge research and case studies from around the world, this comprehensive analysis provides a nuanced understanding of the challenges and opportunities facing societies today.
