

Prove All Things: Hold Fast to That Which Is Good

In a world of increasing deception and confusion, it is more important than ever to be able to discern between truth and falsehood. The Bible instructs us to "prove all things; hold fast that which is good" (1 Thessalonians 5:21). This means that we should not blindly accept everything that we hear or read, but rather we should carefully examine it in light of Scripture and our own experience.

Prove All Things: Hold Fast to That Which Is Good is a book that will help you to develop the skills of discernment. It will teach you how to identify the marks of truth and falsehood, and it will provide you with the tools you need to make sound judgments about the things that you hear and read.
