This revolutionary new book by Dr. William Bates will teach you how to improve your vision naturally, without the need for glasses or surgery.

Dr. Bates developed the Bates Method, a natural vision improvement program that has helped millions of people around the world to improve their eyesight.

The Bates Method is based on the principle that the eyes are self-healing organs. When the eyes are given the proper conditions, they can heal themselves and restore perfect eyesight.

Take Off Your Glasses and See will teach you the Bates Method exercises and techniques that you can use to improve your vision.

These exercises and techniques are simple and easy to do, and they can be done in just a few minutes each day.

If you follow the Bates Method, you will be amazed at how quickly your vision improves.

You will be able to see clearly without glasses or contacts, and you will enjoy the freedom of perfect eyesight.

**Here are just a few of the benefits of taking off your glasses and seeing:**

- You will see clearly without glasses or contacts.
- You will enjoy the freedom of perfect eyesight.
- You will save money on glasses and contacts.
- You will reduce your risk of developing eye problems.
- You will improve your overall health and well-being.
