A Review

The Treasury of American Prayers is a comprehensive collection of prayers from all walks of American life, spanning centuries and denominations. It is a unique and valuable resource for anyone interested in the history of American spirituality, or for those seeking inspiration and comfort in their own lives.

The book is divided into six sections, each of which focuses on a different aspect of American life. The first section, "Prayers for the Nation," includes prayers for the country's leaders, for peace and unity, and for the well-being of all Americans. The second section, "Prayers for the Family," includes prayers for marriage, children, and the home. The third section, "Prayers for the Workplace," includes prayers for success, guidance, and protection at work. The fourth section, "Prayers for the Community," includes prayers for the sick, the poor, and the marginalized. The fifth section, "Prayers for

the Church," includes prayers for the clergy, the laity, and the mission of the church. The sixth and final section, "Prayers for the Individual," includes prayers for personal growth, forgiveness, and salvation.

The prayers in *The Treasury of American Prayers* are drawn from a wide range of sources, including the Bible, the writings of the Founding Fathers, the speeches of presidents, and the songs of folk heroes. There are prayers from every major religious tradition in the United States, as well as prayers from secular sources. The book also includes a number of original prayers, written by the book's editor, Robert Ellsberg.

The Treasury of American Prayers is a beautifully written and inspiring book. It is a testament to the power of prayer and the resilience of the American spirit. I highly recommend it to anyone interested in the history of American spirituality, or for those seeking inspiration and comfort in their own lives.

About the Author

Robert Ellsberg is an American author, editor, and peace activist. He is the founder and director of the Plough Publishing House, which publishes books on spirituality, peacemaking, and social justice. Ellsberg is the author of numerous books, including *The Kingdom of God is Within You*, *The Gospel of Peace*, and *The Prophetic Witness of Pope Francis*.

Praise for *The Treasury of American Prayers*

"*The Treasury of American Prayers* is a rich and inspiring collection of prayers that reflect the diversity and depth of the American religious experience. It is a valuable resource for anyone interested in the history of

American spirituality, or for those seeking inspiration and comfort in their own lives." - Jon Meacham, Pulitzer Prize-winning author

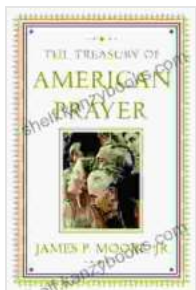

"The Treasury of American Prayers is a beautiful and moving book. It is a reminder of the power of prayer and the importance of faith in our lives." - Archbishop Desmond Tutu, Nobel Peace Prize laureate

"The Treasury of American Prayers is a treasure trove of spiritual wisdom. It is a book that will be cherished by people of all faiths." - Rabbi Harold Kushner, author of When Bad Things Happen to Good People
